DOCKET NO. 01-0101-0401

NOTICE OF RULEMAKING - TEMPORARY AND PROPOSED RULE

EFFECTIVE DATE: The effective date of the temporary rule is January 1, 2004.

AUTHORITY: In compliance with Sections 67-5221(1) and 67-5226, Idaho Code, notice is hereby given that this agency has adopted a temporary rule, and proposed regular rulemaking procedures have been initiated. The action is authorized pursuant to Section(s) 54-204(1), Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than January 21, 2004.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

Updates Rule 004 Incorporation by Reference to refer to 2004 AICPA Professional Standards and to include standards issued by the Public Company Accountability Oversight Board (PCAOB) created by the Sarbanes-Oxley Act of 2002.

Idaho Accountancy Rules comply with Idaho State Law by using the effective date when incorporating standards by rule. Idaho's rules incorporate AICPA and PCAOB Standards as requirements our licensees must meet when applicable.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section 67-5226(1)(a), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

The AICPA Standards are updated throughout the year on an as-needed basis. They are not updated on a date-specific basis. Therefore, Idaho Accountancy Rules must be updated on an annual basis, as of January 1st, to cover any and all changes that may occur throughout the calendar year.

The Public Company Accountability Oversight Board (PCAOB) was newly formed by the federal Sarbanes-Oxley Act of 2002. The PCAOB is issuing standards for auditors of publicly traded companies. Idaho licensees must follow these standards. The temporary rule is necessary to protect the public's welfare.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: N/A

NEGOTIATED RULEMAKING: Pursuant to IDAPA 04.11.01.811, negotiated rulemaking was conducted. The Board of Accountancy notified stakeholders by newsletters on the issues.
